

Celebrations: Easter, Parishes out of PDS, ACA Training

What is ParishStaq?

ParishStaq is a suite of online tools that is more than a donor database. It includes a desktop interface and two apps. One feature of the ParishStaq is interactive group management and messaging. This allows pastoral leadership and staff to facilitate deeper engagement in parish life.

Best Practices for Launch

At our monthly check-ins, we started a series on Best Practices:

- General Best Practices - ChMS launch (April)
- General Best Practices - App* launch (May)
(*Dependent upon app development)

Our next monthly check-in is May 10 at noon. Visit our [Training Page](#) on the Learning and Implementation site for more information.
