Welcome to September

O God, I find myself at the beginning of another day, another month, another season.
I do not know what it will bring, but please help me to be ready for whatever it may be.

I pray just for these twenty-four hours, for these thirty days, for this season, that I may
have the ability to cooperate with others according to the way Jesus taught us to live.
"Your kingdom come, your will be done, on earth as it is in heaven."
May these words that he taught us become more than words, but also our habits and actions.

Please free my thinking and feelings and the thinking and feelings of others,
from all forms of self-will and self-centeredness,
in order that we may move forward in truth and justice.

Give us the graces that we need to start fresh, to work with positivity,
and to give everyone the benefit of the doubt. Along with my brothers and sisters,
I need this freedom to make my choices according to your desires.
Send your Spirit to inspire me in times of doubt and indecision so that,
together, we can walk along your path. Amen.
